Railroad for Full Amount of Tax.

STATUTE

To save the penalty of 5 per cent that may be added for nonpayment of State taxes on or before December 1, the Virginian Railway, without waiting for a final decision of the rolling stock controversy, now pending before the State Corporation Commission, yesterday paid over to the Court of Law and

tion Commission to restrain that body from apportioning the rolling stock of the Atlantic Coast Line, Seaboard Air Line and Norfolk and Western Rall-ways throughout the countles. The questions both of the jurisdiction of the Corporation Commission and of the con-stitutionality of the act of 1912, apportioning the rolling stock taxes, was fully argued and submitted, and the commission has not yet handed down a

Assessed the Virginian.

With the Virginian Railway, the case was somewhat different. It appears that Edward J. Doran, commissioner of the revenue of Norfolk, has ignored both the State Corporation Commission and the act of the General Assembly of the livitation follows:

"I have yours of November 29, but my engagements and those of the 1 in reference to the commission designated by the General Assembly to act for the State in this matter.

The Governor's letter in reply to the invitation follows:

"I have yours of November 29, but my engagements and those of the 1 in reference to the commission designated by the General Assembly to act for the State in this matter. has proceeded to assess the Virginian Railway for the whole amount of its rolling stock as in former years. The railroad had no great interest in the disposal of the money, but it had no intention of paying the tax once to the city authorities of Norfolk and again to the Corporation Commission for ap-portionment among the counties. To clear up the situation as far as it concerned the Virginian, the road yesterday instituted a chancery suit in Norfolk, to have the court determine whether railroads in Virginia shall pay their taxes on rolling stock entirely to the cities in which the home offices are located, as in former years, or to pay 25 per cent to the city in which the home office is located, and the remain-ing 75 per cent to the cities and counties through which they run, as provided under the act of 1912, the constitutionality of which is now in ques-
